MEETINGS

ATTACH

Transcript

Notes

Straight after a meeting. Every action with an owner, and the ones nobody picked up.

List every action agreed, as a table: owner, action in their own words, and the date or trigger mentioned. Mark any action where no owner was named. Do not add actions that were only discussed.

Attach the transcript or your own notes, untidied. The half sentences tell it who was speaking.

What comes back.

Six actions agreed. Two have nobody's name on them.
